COVID Safety Policies

CMC BC is committed to doing all we can to ensure the safety of our patrons, colleagues and community. These policies are subject to change as we continue to monitor the situation. CMC BC has developed this plan in accordance with BC Public Health Recommendations and WorkSafeBC guidelines.

- We are now beginning to reopen rentals to the Murray Adaskin Salon with updated policies.
- Our new maximum occupancy will be limited to 6 people.
- All visitors must register with name and phone number upon arrival and confirm that they are symptom free.
- Masks are to be worn before entering the building. Once in the rental space all who are able are encouraged to wear masks.
- All renters are required to submit a proposal including what the space will be used for and what equipment will be required (music stands, chairs, tables, piano, projector etc.)
- All equipment will be set up before renters' arrival.
- Rentals are limited to one group a day to ensure proper air circulation and cleaning.
- High touch areas will be disinfected in between all rentals. This includes door handles, light switches and any equipment used (music stands, keyboards, etc.)
- Additional air purifiers have been set up in the Murray Adaskin Salon and will run continuously.
- Renters will be limited to the main floor. The kitchen and upstairs offices are restricted at this time. (Library access can be booked by appointment.)
- Masks are required in all shared spaces outside of the salon (lobby, bathroom)
- The rental space is 421 square feet. There is one accessible washroom on the main floor.
- The CMC is not responsible for lost or stolen items. We are located in a high traffic area and all doors with street access must remain locked at all times.
