Description of Event:

Renting: Murray Adaskin Salon CREATE Boardroom Piano A/V System

Instrumentation / Number of Performers:

Salon Technical Requirements* (CMC BC has 9 music stands, 5 musician chairs, 4 folding tables, 46 audience chairs, 110" descending video screen with projector and stereo speakers):

Salon Setup. Please draw on floorplan below to indicate how you want to set up the theatre, including placement of piano (cannot be removed), music stands, chairs for audience, etc.

- Works for Prepared Piano are not permitted.
- Video screen is fixed to the North wall of the Salon.
- CMC does not have a PA system, only small speakers for projector or A/V system playback.
- The Murray Adaskin Salon is a street-front space. Noise from the street may be audible during events.
- Some Technical Requirements may be subject to additional fees.
- Second floor is restricted temporarily.

Completion/submission of this form is not a booking reservation. Should your proposal be approved we will provide you with a final booking agreement. Please remember to allow time for setup/teardown in your booking request. Booking requests for dates less than three weeks away may not be considered.
